

## FoodyPOS Online Ordering – Demo

1. Open [http://www.convaldatech.com/Foody\\_POS.aspx](http://www.convaldatech.com/Foody_POS.aspx) to register for Demo.
2. You will receive an email at your registered email ID with a link to download FoodyPOS-Setup.exe
3. In the email, you will also find Organization ID.
4. Download and install FoodyPOS-Setup.exe
5. Pre-requisite for installing FoodyPOS:
  - a. Windows 8 or Windows 10
  - b. Adobe Acrobat Reader DC, which can be downloaded from - <https://acrobat.adobe.com/in/en/acrobat/pdf-reader.html>
  - c. A Default printer attached to the computer.
6. During install, setup will require to enter Organization ID. Enter the Organization ID you received in your welcome email.
7. Once installed, you can go to <http://www.convaldatech.com/demo/dummy> and can try ordering online. The order will print to your default printer attached to the computer where FoodyPOS-Setup is installed.
